WHAT WILL MY CHILD DO?

- Sports - A variety of multi sports activities including football, tag rugby and basketball.
- Adventure - Forest School activities and trips to interesting local attractions.
- Crafts - The opportunity to try their hand at drawing, painting and other fun crafts.

Most of all your child will get the chance to meet new friends, learn different skills and just have fun. There will be no pressure put on them to get involved in something that they don't want to do.

All sports equipment is provided, however we ask that children bring:

- A packed lunch
- A drinks bottle that can be refilled throughout the day
- Appropriate footwear and clothing for the activities and the weather including sun cream and a sun hat for hot days

Operated by Stuart Brooks Social Inclusion all staff are fully trained, have experience of working with children, are DBS checked and first aid trained.
